**Paletten reception group:**

Pupils receive basic education in Norwegian, first-language education and bilingual subject education; see Section 2–8 of the Norwegian Education Act.

Attendance is voluntary and requires consent from parents/guardians. This is a joint service offered by Paletten and local schools.

**SUBJECT AREA: BASIC NORWEGIAN****Goal:**

Acquire skills at level 2 in the curriculum for basic Norwegian in order to follow the ordinary curriculums at primary school.

**Target group:**

Recently arrived children/adolescents aged 6–16.

**Duration:**

Dependent on educational background and progression, approx. 1–2 years.

**Transport:**

Paletten offers a transport service for the youngest pupils, primarily for pupils in grades 1–4. Other pupils who require transport must use ordinary transport services. Paletten will reimburse these expenses and help find suitable transport arrangements in consultation with parents/guardians and the local school.
